

Umphrey's McGee Press Quotes

"Umphrey's McGee stand revealed as consummate musical alchemists, deftly reconfiguring sounds from rock's vast panoply of styles..."

- Entertainment Weekly

"Umphrey's McGee are quite simply occupying a musical space where few dare to tread..." - **PopMatters**

"Umphrey's McGee may be known for their improv-heavy live performances but that may change if they keep putting out genre-defying albums..." - **Relix**

"Chicago six-piece Umphrey's McGee is the superclean Lego architects of improvised rock. Impeccable playing and pristine arrangements often birthed on the fly are the signature moves..." - **Village Voice**

"As the record business continues to struggle, bands like Umphrey's McGee are expanding the notion of what a rock band can offer..." - **Time.com**

"I heard rock 'n' roll's future, and its name is Headphones & Snowcones."

- Chicago Tribune

"The Chicago sextet solidifies itself as one of the most talented experimental rock acts...a prog-rock powerhouse." - **Denver Post**

"...an exercise in rhythm that embraces a harder, experimental rock edge with some fat-bottom funk." - **Los Angeles Times**

"Without a doubt one of the most inventive and mercurial bands of the last decade."

- CBS Radio

"[Umphrey's] has established themselves as an innovative and highly accomplished group of virtuoso performers capable of playing pretty much almost any style of music."

- WXPB

"...the kind of details that can make my night: the union of David Gilmour's stiletto-treble poise and Eddie Van Halen's torrential shredding in Cinninger's exuberant, extended breaks..." - **Rolling Stone.com**

"...a band whose abilities have caught up to its high ambitions."

- Sound and Vision

"Umphrey's has shed the few growing pains they had in the early 2000s and are now able to produce high-quality, often transcendent shows on a consistent basis."

- Consequence of Sound

"...prepare to feel like the wind-blown guy in the Maxell tape commercials."

- The Washington Examiner
