

Futurebirds – *Baba Yaga* **Read what the press is saying...so far**

"...stunning second record... 'Baba Yaga' is very much an 'on tour' record; the controlled chaos of Futurebirds' live shows translates on record like never before." - **Pitchfork**

"...their latest album 'Baba Yaga' further confirms the band's unique knack for unpretentious yet lyrically sophisticated rock." – **Paste**

"The Futurebirds, based in Athens, Georgia, are masters of reverb-steeped country rock infused with Southern charm." - **The New Yorker**

*"Tan Lines, Futurebirds: Mixing Neil & Crazy Horse with My Morning Jacket, this track from new *Baba Yaga* is a psychedelic powerhouse."* – **USA Today**

"It's pretty stuff, operating in the zone carved out by the likes of Drive-By Truckers and Band Of Horses, eschewing those acts' raucousness or big-tent crescendo for a more even-keeled existential crisis." – **Stereogum**

"There are few better young acts out there touring today." – **Hear Ya**

"...a sublime album that nails its distinctly American groove..." ★★★★★
- **American Songwriter**

"...the Athens, Ga.-based band pair their warm and inviting guitars with a heavy dose of nostalgia..." - **MTV Hive**

"The combined effort of the band's five different songwriters, it delves into intimate moments and soars with the adventurous force that characterizes their live shows." - **Aquarian Weekly**

"Deploying pedal steel guitar with a psychedelic flair amid country-rock ambience, Futurebirds lilt a deceptively laid-back roots sound...only hinting at the driving force of the Athens, Ga., sextet's live shows. Their upcoming sophomore effort for Fat Possum, 'Baba Yaga', captures the power better, while not dispelling any southern atmospherics." - **Austin Chronicle**

"This Athens band manages to blend sweeping Americana, Southern rock rootsiness, aching pedal steel with edgy, sweat-soaked garage rock, gravelly

vocals and psychedelic tendencies." - **Charlotte Observer**

"...a baker's dozen of chiming, leisurely paced tunes soaked in spectral, gorgeous pedal steel." - **Arkansas Times**

"...one of the best albums of 2013." - **Farce The Music.com**

"Few Southern bands have garnered more buzz in recent years than Athens, Georgia's, Futurebirds." – **Blue Ridge Outdoors**

"As for 'Baba Yaga', expect some damn fine ghoulish and broody southern gothic rock – the likes of which you haven't heard before." - **Live Music Blog**

"...an Athens, Ga. outfit that coats its laid-back but restless country stagers in unending layers of reverb and effects..." - **Creative Loafing (Charlotte)**

"The band strikes the perfect balance between Crazy Horse's backwoods stoner swag and the Flying Burrito Brothers' pedal steel-driven elegance."

- **Riverfront Times (St. Louis)**
