Pop and Jazz Fall Preview: 105 Albums, Shows and Festivals

SEPT. 16, 2016

October

**SHOVELS & ROPE** This husband-and-wife duo manages to span the range from sprightly country-rock stompers to meditative roots-minded whispers. On “Little Seeds,” the pair’s fourth album of original songs, the two engage with a wide range of deeply-felt subject matter, including a song inspired by the church shooting in Charleston, S.C., last year. New West. Oct. 7. (Caramanica)
