JJ Grey & Mofro (Saturday) The sterile steel confines of Terminal 5 are an odd match for the Southern rockers JJ Grey & Mofro, whose unhurried guitar jamming and lightly swinging percussion conjure visions of humid swamps and backyard barbecues. Mr. Grey's drawling, Memphis soul-inspired vocals further add to the mellow spell. They release the album, "Ol' Glory," on Tuesday. With Marc Broussard and London Souls. At 8 p.m., Terminal 5, 610 West 56th Street, Clinton, 800-745-3000, terminal5nyc.com. (Anderson)
