

DECEMBER 2018

## TURN IT UP *Three albums to tune into this month.*

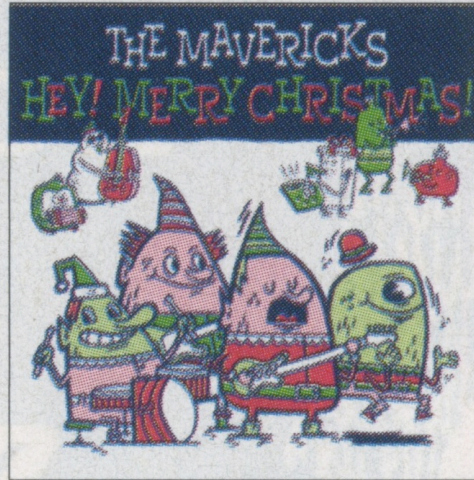

*Chris Parton*

### THE MAVERICKS

*Hey! Merry Christmas!*

Grammy-winning goodtimers The Mavericks deck the halls with *Hey! Merry Christmas!*,

a full batch of new originals that feel just as timeless as the classics—but less worn out. The mix of classic pop,

holiday cheer, and Raul Malo's Latin-infused-country vocal will liven the stuffiest ugly sweater party.
