Nashville, TN – Singer/songwriter Bear Rinehart, aka Wilder Woods, is continuing his ascent with sophomore album *FEVER / SKY*, out now on Dualtone Records. With singles “Maestro (Tears Don’t Lie)” “Patience” and “Be Yourself,” Wilder Woods has already reached over 13 million listeners on Spotify alone, with featured placements on playlists New Music Friday, Run Wild, Fresh Folk and more. Additional listeners are tuning in via Apple, Music, Amazon and other DSPs. Radio has embraced Wilder Woods as well. “Maestro (Tears Don’t Lie)” continues its climb at Triple A radio, trending into the Top 15 on Mediabase with support from over 50 stations. The album is officially out on CD and vinyl on Friday May 5th at major and independent retailers [HERE](#).

Rinehart has been sharing intimate, stripped-down versions of his singles, beginning with “Maestro (Tears Don’t Lie)” and now with “Be Yourself” out today. Next up is his rendering of “Make Your Own Mistakes,” which will be available on May 24. Listen to “Be Yourself (Stripped)” [HERE](#).

In addition, Rinehart continues to impress fans on his *FEVER / SKY* U.S. headline tour which has been selling out in major markets. A full list of tour dates follows and can also be found [HERE](#).

On *FEVER / SKY*, Bear Rinehart (also known as the frontman for Grammy-nominated, chart-topping band NEEDTOBREATHE) explores a different creative outlet outside of the larger group dynamic. Wilder Woods offers Rinehart the opportunity to experiment and grow with different sounds, styles and textures, while also embracing new challenges along the way. He shares, “I’m giving myself the freedom to do what I want to do and say what I want to say. This isn’t the kind of journey where I’m worried about the places I’m headed or the places I’ve left; it’s a journey where I’m just happy to be in the car, driving forward.”
