**GRAMMY-NOMINATED VOCALIST JOAN OSBORNE RELEASES COMPELLING,
PERSONAL ALBUM *NOBODY OWNS YOU***

U.S. HEADLINE TOUR RUNS THROUGH DECEMBER

Nashville, TN – Today, acclaimed artist Joan Osborne is releasing her 11th album, the honest, captivating *Nobody Owns You*, via her imprint Womanly Hips Records. *Nobody Owns You* is a collection of revealing songs as Osborne ponders life’s triumphs and challenges. The twelve contemplative tracks offer hope and solace, while exploring Osborne’s own unique journey from small-town Kentucky to around the world. Listen to *Nobody Owns You* [HERE](#).

Accolades are coming in for *Nobody Owns You* as well. *Americana Highways* called it “One of the year’s best.” *Glide* magazine claimed, “Osborne’s always had that provocative streak dating back to her 1995 breakthrough *Relish*, but she’s never been as focused and direct as she is with this poignant effort.”

Nobody Owns You is produced by Ben Rice (Valerie June, Norah Jones), who also joins Osborne as co-writer on several tracks as well as adding banjo guitar. Renowned lap steel player Cindy Cashdollar is also featured, along with Dave Sherman on piano and Jack Petruzelli on baritone guitar. Backing vocalists Rachel Yamagata and Catherine Russell add tone and texture as they contribute harmonies throughout much of the album. Jill Sobule adds another layer of sound on the upbeat “Child of God” and the hymnlike “Lifeline.”

Nobody Owns You follows Osborne’s acclaimed *Trouble & Strife*, which earned raves from *NPR*, *People*, *Associated Press* and more. In 2022, Osborne released *Radio Waves*, an anthology of select performances broadcast on national airwaves since 1995.

Osborne’s headline tour starts up again on September 15th and will continue through December. A full list of tour dates is below and on her website [HERE](#).

Throughout her 25-year, multi-Grammy nominated career, Joan Osborne has never been an artist confined to one space. She has utilized her incredible voice through her own songs while also becoming one of her generation’s finest interpreters. Osborne has shared the stage with artists ranging from Stevie Wonder and Mavis Staples to Bob Dylan and Lucinda Williams, and she continues to seamlessly blend into any genre. On *Nobody Owns You*, her eleventh studio album, Osborne shares her deepest thoughts on life as we know it, hoping others may find solace alongside her.
